

INSTRUCTIONS TO THE PATIENT:

- The first visit will be an consultation. This allows us to fully review your health history and determine the most appropriate treatment for you. Treatment may be initiated on the same day.
- If you have any special medical problems or are taking any medications, please bring this to our attention at your appointment.
- A Cone Beam CT may be necessary for diagnosis and treatment. This is not a covered benefit by most insurances.
- Please advise us if your require conscious sedation and/or nitrous oxide sedation.
- Minors must be accompanied by a parent or guardian at the first appointment.

Our office is located in the **8th + Olive Building**, just off the elevator on the 8th floor. Garage parking is conveniently located off 8th Avenue.

Please visit our website for driving directions.
